### About the Band...

The Oklahoma City Symphonic Band's mission is to provide a challenging and enriching musical experience for its members, to offer quality concerts for the community, and to inspire future generations of musicians.

The Oklahoma City Symphonic Band is comprised of approximately one hundred professional and amateur musicians. This historic band has performed in the Oklahoma City area for decades. The members are a cross-section of the community made up of all different professions. They are musicians who find that the band gives them a chance to grow musically.

Rehearsals are held every Tuesday evening throughout the year with the exception of May and August. The Oklahoma City Symphonic Band performs several concerts at a variety of venues including high schools, universities, churches and area parks and has hosted several talented composers as guest clinicians over the years, including Patrick Sheridan in 2014, Dr. Frank Ticheli in 2008, Dr. Jack Stamp in 2006 and Dr. John Zdechlik in 2003. The organization hosts an annual Young Artist Competition for high school students. The students compete by audition for the opportunity to perform with the band and to win a cash prize.

The Oklahoma City Symphonic Band is sponsored by the Oklahoma Concert Band Foundation, whose purpose is to engage in the promotion, appreciation and support of concert band music throughout the State of Oklahoma.
